Dear OEAS / IPA

Ref: Acknowledgement and Appreciation letter

On behalf of Hozheri Primary School in Midlands province of Zimbabwe, I would like to thank your organisation for the recent donation in support of water sanitation and livelihoods projects at the school. We formally acknowledge your previous support and donations that have made a big difference in the school development and contributed immensely to the success of the school.

The donation has facilitated for the capacitation of water reticulation and agricultural seeds. Ultimately the school and students will benefit from reliable water supply and agricultural activities.

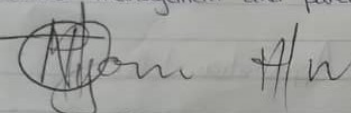

We appreciate your interest in the student education and development. The management

and parents' association of the school say thank you once again for your generous support and donations.

We look forward to continued working with your organisation in the same spirit into the future.

Yours Sincerely

School management and parents' association
