Dear Sir/ Madam

Re: Acknowledgement of Receipt of ECD Equipment by Gumbure School from Initiative Partner for Africa (IPA) Vigoureux Neuerburg Foundation for Children.

The School Development Committee of Gumbure Primary School wishes to express its heartfelt and profound gratitude on the donation of ECD play centre equipment you donated.

The school learners shall benefit from the equipment. It is our wish that such a gesture be extended to other schools in need.

The school has a water crisis and would benefit if it can have pipes connected to the secondary school (Mavuzhe) which now has a piped water system.

Thank you
